

Field trips will enable participants to experience sacred sites in the lower Blue Mountains with Fr Eugene Stockton, in Kameygal country (La Perouse) with Dave Ella in partnership with members of the local Aboriginal Communities.

A team from the Broken Bay Schools Office, The Broken Bay Institute and Catholic Earthcare Australia will lead the program.

The Creation and Reconciliation program begins by drawing out multi-textured and ageless threads through engagement with and immersion in the creation story. Threads woven in the stars and galaxies; the landscape; the scriptures and in our very selves...

Woven around and between these threads is our understanding and experience of reconciliation – from a scriptural, personal and social perspective.

Drawing and unifying all threads into a rich tapestry is the exploration of ecology in its many integrating facets.

Creation and Reconciliation

13th-19th April 2012

LEADERSHIP PROGRAM

Inspired by experiencing the extraordinary vision of the truth and reconciliation process and the Cradle of Humankind in South Africa, the Diocese of Broken Bay Catholic Schools and the Broken Bay Institute in partnership with Catholic Earthcare Australia are offering a 6-day Creation and Reconciliation experience of pilgrimage.

This residential program will be held on Dhurag country, at Mulgoa, in the foothills of the Blue Mountains.

Catholic Earthcare Australia, the Diocese of Broken Bay Catholic Schools Office and The Broken Bay Institute

invite you to register your participation in a 6-day Creation and Reconciliation program

Are you wondering about your role in leadership for mission?

The Creation and Reconciliation program is an invitation for those in leadership roles within the Church and its allied organisations/agencies.

The Creation and Reconciliation program is centered on the essential link between the two – both creation and reconciliation are grounded in God's creation of the world. God's action of creating and reconciliation means that all are called to reconciliation and healing. Creation and salvation are part of one act: God's self-giving act of love. The Christian call is to action through mission – mission characterized by reconciliation and liberation and the involvement of all creation. Fr Denis Edwards will explore these themes on the opening day.

This immersion program offers an opportunity for interpreting an experience of personal transformation, through spending time on country, into leading social change for justice, reconciliation and integrity of creation.

PROGRAM STRUCTURE

The Creation and Reconciliation program weaves together threads of contemplation, art, conversation, ritual, scripture, theology, anthropology and history across the 6 days.

The rhythm of personal reflection and group activities will add colour, balance and depth to the experience.
